Prof. Iverson, of Lonaconing, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat. **H. ## COUNTY NEWS NOTES.

To insure insertion ALL correspondence must be in this office by Monday night of each week, and that nearby on Monday morning.

Our correspondents are derelict in duty and we want to say that henceforth they will not receive papers except for the week they have news letters. We are dependent upon them for the news and when they fail to send in their favors they put us to great inconvenience.

Some one up the river is putting saw dust in the river, and it so bad at times that stock will not drink the water. We hope we will not have to mention this any more, as such dirty water is very unhealthy to any community.

While visiting in Powell and Menefee counties last week, we heard it said by many persons that Hazel Green academy was the best school in Eastern Kentucky, and if they only could visit the school as I have, they would say it is doing more good than any school in the state.

One day last week a young man from Morgan county, whose name we will not mention, came over the line to Daysboro, and after talking to several men that happened to be in town, told us that he would bet \$10 that Willie Barker would get two-thirds of the votes in Daysboro. When told that Daysboro was in Wolfe county. He said he knew it, but from the way the boys had been drinking his whiskey, he didn't believe they knew where they lived.

## ANNOUNCEMENTS.

For Representative—1st District.  
**CECIL**—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature for Morgan and Wolfe counties, subject to the action of the Democratic party.

**MORRIS**—We are authorized to announce J. P. MORRIS, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to action of the Democratic party.

NEW YORK seems to retain the nerve that so endears her to the rest of the United States. Her yacht club has practically decided not to permit any boat not belonging to a member of that organization, to enter the trial races for the privilege of defending the America's Cup against the British. In other words, the faster boat will not be allowed to defend, if owned by a man who doesn't shoot his cuffs and wear a monocle.

The mosquito theory of the transmission of malarial and yellow fever is now pretty thoroughly established. That is to say, it has been proved that mosquitos are the chief if not the only cause of the dissemination of the disease. Now let everybody turn to and do his share to exterminate these pests.

MAXIMO GOMEZ seems to be as frank a humbug as anyone could hope to find. Moved thereto by General Wood, he declares in favor of continued American occupation; moved a little later by one else, he declares as vehemently in favor of driving out the accursed Americans. You pay your money and you take your choice.

PENNSYLVANIA is trying to apologize and deny and recriminate for the conduct of her hoodlum troops at the inauguration. The people of Washington, however, want none of these; they want pay for the damage done to their property.

How many people realize the way in which Italy is colonizing in South America. There are now whole districts where nothing but Italian is spoken. Before long, it will be Italo-Americans, and not Spanish Americans, who will control down there.

MR. HANNA declares that President McKinley has not the remotest idea of being a candidate for the third time. This, however, is not what interest the country. What people want to know is whether Mark himself proposes to be a candidate again.

If Teddy had spent a little of his time in studying the rules of the senate instead of wasting it all on a lion hunt, he would have spared himself several ridiculous mistakes.

### Strikes a Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by J. Taylor Day, Hazel Green, or S. S. Combs & Son, Campton.

Oh! Yes, the Nicaraguan Canal will be built—ultimately. All the republicans say this; therefore it must be true. They have been saying it for the last twenty years, fixing the date somewhere in the future. But the future never comes.

PARIS GIBSON, Senator Clarke's new colleague in the senate, was born in New Hampshire. We mention this fact because it may be of some little consolation to Senator Chandler.

THE United States is still shipping mules and horses to South Africa in large numbers, proving, whatever Kitchener may say, that hostilities are not yet over there.

THE Chicago republicans have insured the re-election of a democratic mayor by nominating a gangster of the worst type for the first place in that city.

THIS seems a good time to hark back to the old cry: "The power of the executive has increased, is increasing, and ought to be diminished."

HOORAH! Sound the symbols and cry the life. Fifty-seven Filipinos have surrendered and the end of the war is at hand. Hooray!

THE weather bureau has announced that March will probably be a disagreeable month. We could have guessed that ourselves.

POSSIBLY Gunner Morgan may decide to occupy his leisure on the retired list by writing a book about it.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomachs can take it. H. F. PIERATT.

## Getting Thin

is all right, if you are too fat,  
and all wrong, if too thin already.

Fat, enough for your habit, is  
healthy; a little more, or less, is  
no great harm. Too fat, consult  
a doctor; too thin, persistently  
thin, no matter what cause, take  
Scott's Emulsion of Cod Liver  
Oil.

There are many causes of get-  
ting too thin; they all come  
under these two heads: over-  
work and under-digestion.

Stop over-work, if you can;  
but, whether you can or not,  
take Scott's Emulsion of Cod  
Liver Oil, to balance yourself  
with your work. You can't live  
on it—true—but, by it, you  
can. There's a limit, however;  
you'll pay for it.

Scott's Emulsion of Cod Liver  
Oil is the readiest cure for  
"can't eat," unless it comes of  
your doing no work—you can't  
long be well and strong, without  
some sort of activity.

The genuine has  
this picture on it,  
take no other.  
If you have not  
tried it, send for  
free sample, its a-  
greeable taste will  
surprise you.

My true lover I hear!  
He's swinging his hammer,  
Whose clinking and clamor  
Far onward are rolling  
Like chapel-bells tolling,  
Where walls interfere.

Though black is the price  
Where labors my lover,  
Yet, as I pass over,  
The bellows are blowing,  
The flames are all glowing  
To show me his true face.

LILLIE.

### A SONG I USED TO SING.

There went a bird away from me  
In the stormy winter, across the sea  
One sudden day, all chill and gray  
Unto new lands it flew away.

It took from hence beneath its wing,  
One of the songs I used to sing;  
A song more sweet than I can meet,  
Wandering on with weary feet.

But spring has come, and now once more  
Hither it flutters as before,  
More dear to me than these can be  
Because it has flown across the sea.

RENA.

Like Oliver Twist, children ask  
for more when given One Minute  
Cough Cure. Mothers endorse it  
highly for croup. It quickly cures  
all coughs and colds and every  
throat and lung trouble. It is a  
specific for gripe and asthma and  
has long been a well known remedy  
for whooping cough.

H. F. PIERATT.

Rev. H. D. Clark, who has been  
conducting a protracted meeting  
at the Christian church during  
the past two weeks, left for his  
home in Mt. Sterling, on Friday  
the 15th inst. There were three  
additions to the church during  
his preaching—one by primary  
obedience and two reclaimed. He  
presented the Gospel in its power  
and simplicity, and the harvest  
from his seed's swing will be gathered  
by others. The meeting was  
continued by Wm. H. Cord, till  
Sunday, during which time there  
were eight accessions—seven by  
primary obedience and one by  
statement.

We are pleased to note that two  
of our enterprising young men, to-  
wit: E. O. Taulbee and W. H.  
Kash, have established an insur-  
ance agency at this place. They  
are now prepared to write both  
life, fire and accident policies at  
very reasonable rates and premi-  
ums. They are particularly repre-  
senting the Union Mutual Life  
Ins. Co., of Portland, Me.

Their promptness and their  
pleasant effects make DeWitt's  
Little Early Risers most popular  
little pills wherever they are known.  
They are simply perfect for liver  
and bowel trouble. H. F. PIERATT.

The alarm of fire Friday night  
about 9 o'clock, aroused the good  
citizens of this place to activity.  
It was discovered that the chimney  
of the residence of Robt. McLin  
was on fire. No particular dam-  
age was done.

Curt Lacy was all smiles Sunday  
on account of a bright baby boy  
that made its appearance at his  
home Saturday night—Robert Lee  
Lacy. Dr. J. M. Waldeck was in  
attendance.

## Thousands Have Kidney Trouble and Don't Know It.

**How To Find Out.**  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What To Do.**  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

On last Saturday at the democratic primary to select officers for the county of Morgan, was being held at Caney, parties of a long standing grudge, met and undertook to settle the difficulty with pistols, knives, clubs, etc., and the result was that some eight or ten of the combatants were wounded, and three or four of them were badly shot, and several received bad knife wounds.

Dr. J. M. Waldeck, an eminent physician, who practiced in Hazel Green some twenty years ago, has located in our midst again. The doctor does not need much of an introduction, as he is well known throughout this section as an able practitioner. He can be found at the residence formerly occupied by Ova Swango. He is ready at all times, day and night, to attend all calls and administer to those that are afflicted.

## Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexander, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price 50c and \$1.00. Trial bottles free at J. Taylor Day, Hazel Green, and S. S. Combs & Son, Campton, drug stores.

Euster & Firestein has bought the big brick building at Campton from the Traders Deposit bank, of Mt. Sterling, known as the property of Judge Centers, and they have remodeled the same by removing the partitions and putting in new shelving. They are very busy at present by getting and arranging their new stock, consisting of dry goods, clothing, shoes, hats, groceries, furniture, carpets, and in fact, everything that is kept in a first-class establishment. The Messrs. Euster & Firestein are doing business at Bentlyville, Pineville and Middleboro. They can't be excelled for quality and cheapness.

## Not a "Broncho-Buster" From Chicago.

Governor Roosevelt, in speaking once of his experience in the far West, made this confession: "You know I am not nearly so fond of 'broncho-busting' and riding wild horses as some persons might have you think. It wasn't because I liked that kind of work that I did it. But I always took just what came, and if it happened to be the wildest animal in the bunch I got on, and I stayed on, too, for when I got on I made up my mind to stay, and I have yet to see the broncho that could make me give in."—March Ladies' Home Journal.

LEXINGTON, KY.

Prof. Iverson, of Lonaconing, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat. **H. While visiting in Powell and Menefee counties last week, we heard it said by many persons that Hazel Green academy was the best school in Eastern Kentucky, and if they only could visit the school as I have, they would say it is doing more good than any school in the state.

One day last week a young man from Morgan county, whose name we will not mention, came over the line to Daysboro, and after talking to several men that happened to be in town, told us that he would bet \$10 that Willie Barker would get two-thirds of the votes in Daysboro. ## ANNOUNCEMENTS.

For Representative—1st District.  
**CECIL**—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature for Morgan and Wolfe counties, subject to the action of the Democratic party.

**MORRIS**—We are authorized to announce J. P. MORRIS, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to action of the Democratic party.

NEW YORK seems to retain the nerve that so endears her to the rest of the United States. Her yacht club has practically decided not to permit any boat not belonging to a member of that organization, to enter the trial races for the privilege of defending the America's Cup against the British. In other words, the faster boat will not be allowed to defend, if owned by a man who doesn't shoot his cuffs and wear a monocle.

The mosquito theory of the transmission of malarial and yellow fever is now pretty thoroughly established. That is to say, it has been proved that mosquitos are the chief if not the only cause of the dissemination of the disease. Now let everybody turn to and do his share to exterminate these pests.

MAXIMO GOMEZ seems to be as frank a humbug as anyone could hope to find. Moved thereto by General Wood, he declares in favor of continued American occupation; moved a little later by one else, he declares as vehemently in favor of driving out the accursed Americans. You pays your money and you takes your choice.

PENNSYLVANIA is trying to apologize and deny and recriminate for the conduct of her hoodlum troops at the inauguration. The people of Washington, however, want none of these; they want pay for the damage done to their property.

How many people realize the way in which Italy is colonizing in South America. There are now whole districts where nothing but Italian is spoken. Before long, it will be Italo-Americans, and not Spanish Americans, who will control down there.

MR. HANNA declares that President McKinley has not the remotest idea of being a candidate for the third time. This, however, is not what interest the country. What people want to know is whether Mark himself proposes to be a candidate again.

If Teddy had spent a little of his time in studying the rules of the senate instead of wasting it all on a lion hunt, he would have spared himself several ridiculous mistakes.

### Strikes a Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by J. Taylor Day, Hazel Green, or S. S. Combs & Son, Campton.

Oh! Yes, the Nicaraguan Canal will be built—ultimately. All the republicans say this; therefore it must be true. They have been saying it for the last twenty years, fixing the date somewhere in the future. But the future never comes.

PARIS GIBSON, Senator Clarke's new colleague in the senate, was born in New Hampshire. We mention this fact because it may be of some little consolation to Senator Chandler.

The United States is still shipping mules and horses to South Africa in large numbers, proving, whatever Kitchener may say, that hostilities are not yet over there.

The Chicago republicans have insured the re-election of a democratic mayor by nominating a gangster of the worst type for the first place in that city.

This seems a good time to hark back to the old cry; "The power of the executive has increased, is increasing, and ought to be diminished."

HOORAH! Sound the symbols and cry the life. Fifty-seven Filipinos have surrendered and the end of the war is at hand. Hooray!

The weather bureau has announced that March will probably be a disagreeable month. We could have guessed that ourselves.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. **Getting  
Thin**

is all right, if you are too fat,  
and all wrong, if too thin already.

Fat, enough for your habit, is  
healthy; a little more, or less, is  
no great harm. Too fat, consult  
a doctor; too thin, persistently  
thin, no matter what cause, take  
Scott's Emulsion of Cod Liver  
Oil.

There are many causes of get-  
ting too thin; they all come  
under these two heads: over-  
work and under-digestion.

Stop over-work, if you can;  
but, whether you can or not,  
take Scott's Emulsion of Cod  
Liver Oil, to balance yourself  
with your work. You can't live  
on it—true—but, by it, you  
can. There's a limit, however;  
you'll pay for it.

Scott's Emulsion of Cod Liver  
Oil is the readiest cure for  
"can't eat," unless it comes of  
your doing no work—you can't  
long be well and strong, without  
some sort of activity.

The genuine has  
this picture on it,  
take no other.  
If you have not  
tried it, send for  
free sample, its a-  
greeable taste will  
surprise you.

**MY LOVER.**

My true lover I hear!  
He's swinging his hammer,  
Whose clinking and clamor  
Far onward are rolling  
Like chapel-bells tolling,  
Where walls interfere.

Though black is the price  
Where labors my lover,  
Yet, as I pass over,  
The bellows are blowing,  
The flames are all glowing  
To show me his true face.

LILLIE.

**A SONG I USED TO SING.**

There went a bird away from me  
In the stormy winter, across the sea  
One sudden day, all chill and gray  
Unto new lands it flew away.

It took from hence beneath its wing,  
One of the songs I used to sing;  
A song more sweet than I can meet,  
Wandering on with weary feet.

But spring has come, and now once more  
Hither it flutters as before,  
More dear to me than these can be  
Because it has flown across the sea.

RENA.

Like Oliver Twist, children ask  
for more when given One Minute  
Cough Cure. Mothers endorse it  
highly for croup. It quickly cures  
all coughs and colds and every  
throat and lung trouble. It is a  
specific for gripe and asthma and  
has long been a well known remedy  
for whooping cough.

H. F. PIERATT.

Rev. H. D. Clark, who has been  
conducting a protracted meeting  
at the Christian church during  
the past two weeks, left for his  
home in Mt. Sterling, on Friday  
the 15th inst. There were three  
additions to the church during  
his preaching—one by primary  
obedience and two reclaimed. He  
presented the Gospel in its power  
and simplicity, and the harvest  
from his seed's swing will be gathered  
by others. The meeting was  
continued by Wm. H. Cord, till  
Sunday, during which time there  
were eight accessions—seven by  
primary obedience and one by  
statement.

We are pleased to note that two  
of our enterprising young men, to-  
wit: E. O. Taulbee and W. H.  
Kash, have established an insur-  
ance agency at this place. They  
are now prepared to write both  
life, fire and accident policies at  
very reasonable rates and premi-  
ums. They are particularly repre-  
senting the Union Mutual Life  
Ins. Co., of Portland, Me.

Their promptness and their  
pleasant effects make DeWitt's  
Little Early Risers most popular  
little pills wherever they are known.  
They are simply perfect for liver

## Thousands Have Kidney Trouble and Don't Know It.

**How To Find Out.**  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What To Do.**  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

## Not a "Broncho-Buster" From Chicago.

Governor Roosevelt, in speaking once of his experience in the far West, made this confession: "You know I am not nearly so fond of 'broncho-busting' and riding wild horses as some persons might have you think. It wasn't because I liked that kind of work that I did it. But I always took just what came, and if it happened to be the wildest animal in the bunch I got on, and I stayed on, too, for when I got on I made up my mind to stay, and I have yet to see the broncho that could make me give in."—March Ladies' Home Journal.
